Say hello

I'm electric

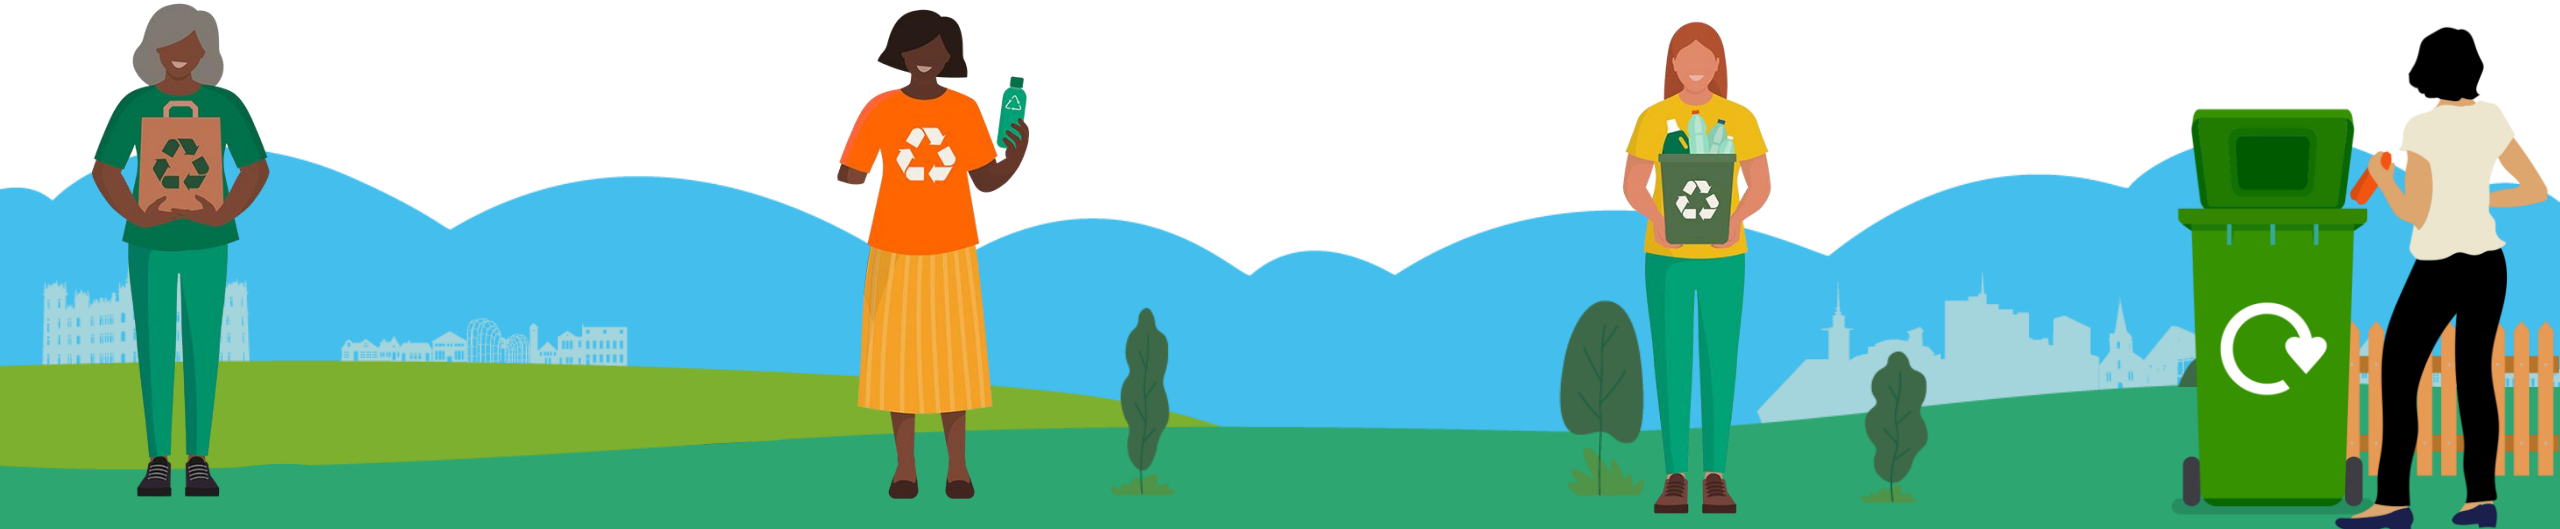

Goal

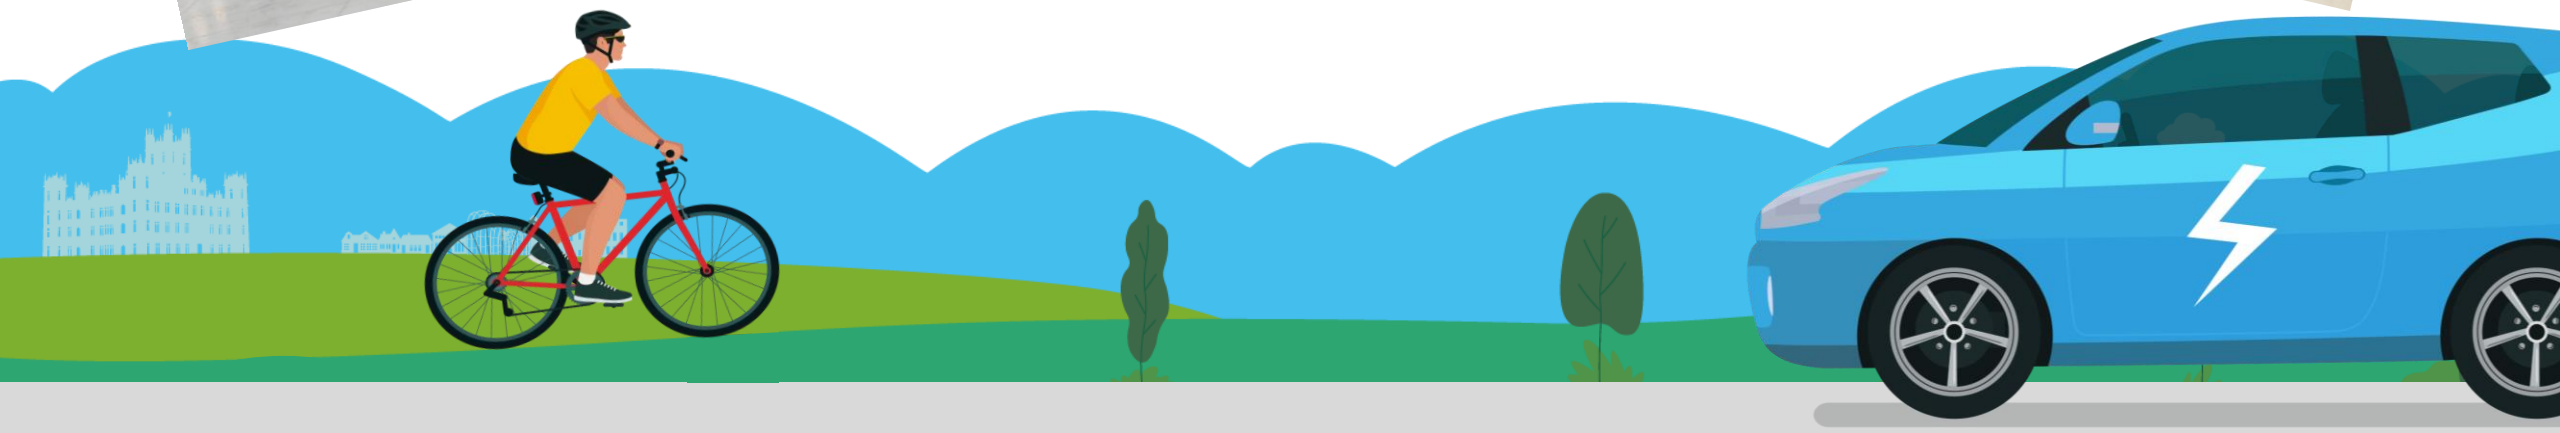

For every contact we would like someone to change a habit that to become more sustainable and reduce their carbon footprint

Progress so far

- Launched August 2023
- Door knocked c. 2000 residents – focus on those in fuel poverty and those with energy inefficient houses
- Engaged with over 1000 residents at a variety of events and forums
- Events logged on our website <https://www.basingstoke.gov.uk/green-team>

Free energy surveys

- 295 energy surveys booked, 258 completed so far
- 1 hour visit from a green team advisor, with a follow up call to help signpost people to grants, installers
- Some full retrofit surveys also available for those who want to carry out more than one improvement in harder to treat houses
- Funding for surveys grant funded from the Local Energy Advice Demonstrator (LEAD) - runs until 31st March 2025

Find out how much you
can save on your **energy**
bills and **carbon**
footprint.

Add property

ENERGY PERFORMANCE RATING

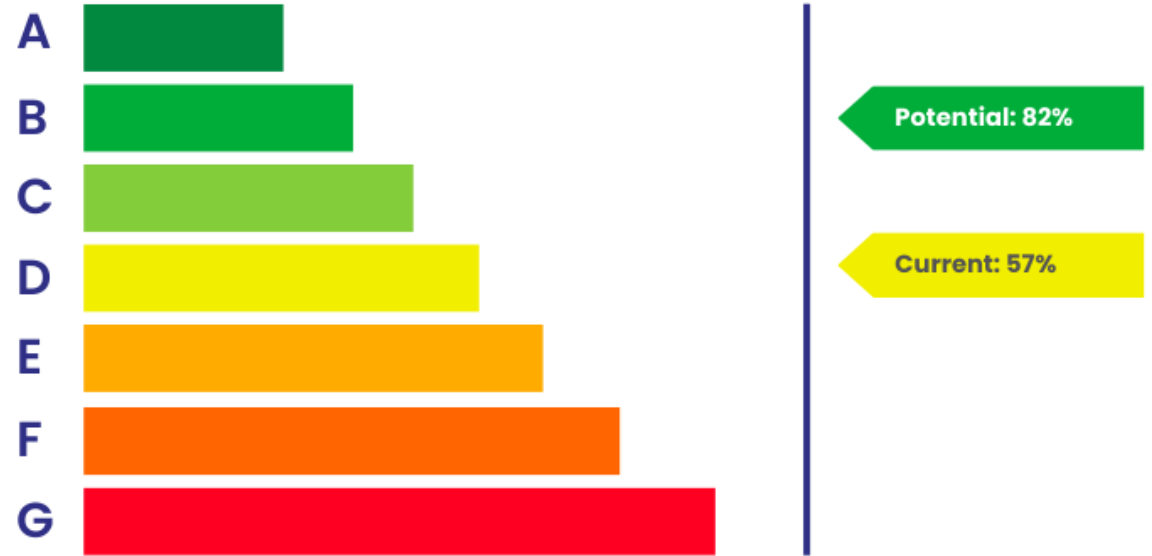

An Energy Performance Certificate (EPC) is a document that provides information about the energy efficiency of a building or a property. It rates the energy performance of a property on a scale from A (most efficient) to G (least efficient).

CREATE YOUR HOME IMPROVEMENT PLAN

EASY

MEDIUM

HARD

- Heating Improvements
- Bleed Radiators
- Insulate loft hatch
- Loft Insulation
- Heating Controls
- Renewable Heating
- External Insulation
- Double Glazing
- Solar Panels

CREATE A PLAN

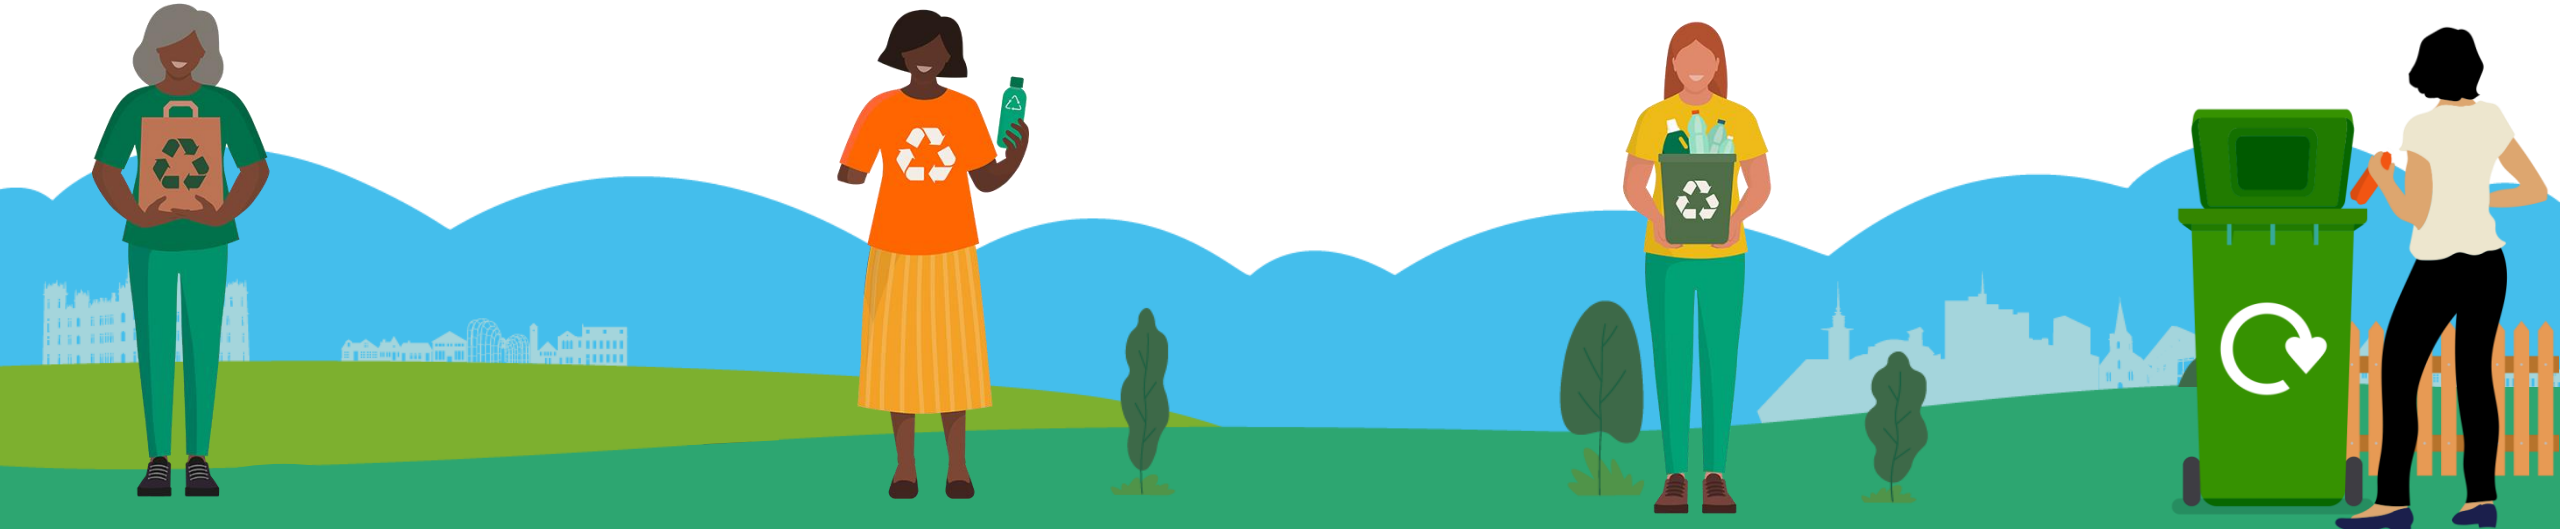

Free garden surveys

- Help native plants and wildlife thrive in your garden
- Address the biodiversity crisis
- New free garden survey to improve biodiversity in your garden – trained by Hampshire and Isle of Wight Wildlife Trust
- Book greenteam@basingstoke.gov.uk

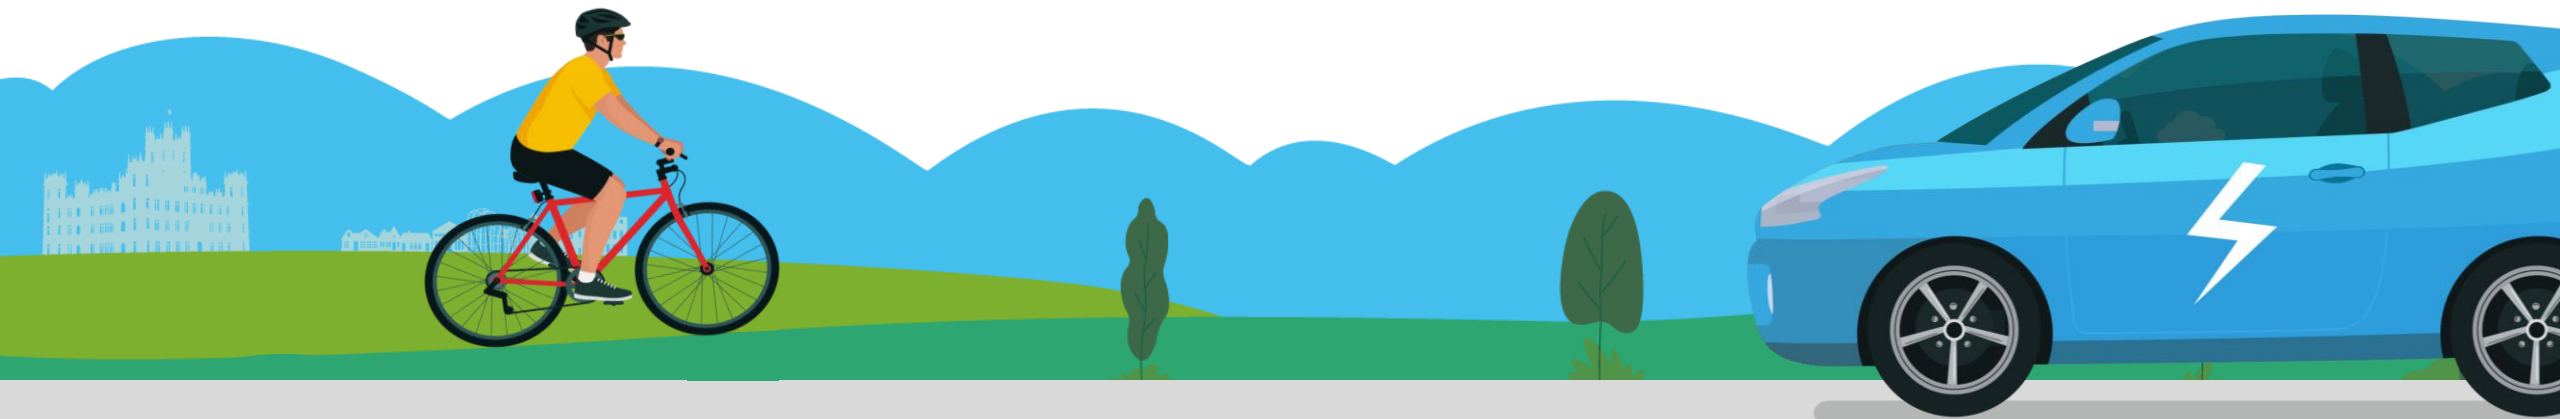

Future plans

- Help for local businesses (micro, small and medium enterprises) – green audit, energy efficiency, solar potential, Sustainable Business Network and online toolkit
- Developing an offering for schools - plus new schools climate change toolkit

Want to do more? Come along to Basingstoke Area Sustainability (BAS)

- Meets every 2 months – on teams
- Representatives from many parishes across the borough
- Share learning, ideas, support each other
- E.g. setting up repair cafes
- <https://www.bdaptc.org.uk/community/bdaptc-18542/climate-change/>

Thank you
